Subject: House Oversight and Gov Reform subcommittee hearing on hydro-fracking issues

You probably know this already but I noticed that the witness list for tomorrow's House Oversight and Government Reform subcommittee hearing on fracking issues includes Mike Krancer of PA. DEP. I suppose he will want to discuss Dimock in his testimony. The hearing title does not necessarily suggest a balanced view of the issues.

Rhetoric vs. Reality, Part II: Assessing the Impact of New Federal Red Tape on Hydraulic Fracturing and American Energy Independence

May 31, 2012
